We're a
different
kind of lender.

We see people, not numbers.

For us, it's personal. We are a financial partner that looks beyond the numbers to find the right loan opportunity for you.

Each relationship we have with a customer is unique so that we can work together to meet their personal financial needs.

We are a CDFI.

Community development financial institutions (CDFIs) are **dedicated to delivering responsible lending opportunities.**

By putting community first, we offer fair and affordable loans and financial products that will facilitate your access to financial opportunities and success.

A different
kind of **loan.**

From a different
kind of **lender.**

We are a trustworthy lending alternative for small businesses, without the high repayment costs.

Our loan products include:

- ▶ Small business loans
- ▶ Microloans (up to \$10,000)
